*DURING MY TWELVE YEARS of association with Ponca City High School it has been a pleasant satisfaction to observe the growth of school traditions, school spirit, and student accomplishments. The keenest joy has come in the realization that with our growth in numbers has come in even greater degree an eagerness to improve and a will to grow in the things of the mind and the spirit. It is gratifying to note with what initiative you make decisions between the good and that which is even better—a mark of progressive thinking.*

*It is well, then, that this, the second volume of the Cat Tale takes its place among the traditions of your school, not only that it may record your present successes, but that in future years succeeding volumes may reveal how well you have improved upon those things you are now doing well today.*

*Homer S. Anderson*

*Principal*

BY WORD AND PICTURE the activities and achievements of another year are here recorded. Those who prepared this book are to be congratulated for the tenacity with which they have portrayed the "High School" But the excellence and depend entirely upon the "High School" Since this Cat Tale reflects the spirit of every student has had a part in its preparation. As you turn these pages, may your pleasure be knowledge that the "High School" has all that it should help in all her undertakings" and her a stronger and nobler school.

The first part of the paper is devoted to the study of the
 asymptotic behavior of the solutions of the system (1) as
  $t \rightarrow \infty$ . It is shown that the solutions of the system (1)
 converge to the equilibrium state  $(0, 0, 0)$  as  $t \rightarrow \infty$ 
 if and only if the matrix  $A$  is Hurwitz. The second part
 of the paper is devoted to the study of the asymptotic
 behavior of the solutions of the system (1) as  $t \rightarrow 0$ .
 It is shown that the solutions of the system (1) converge
 to the initial state  $(x_0, y_0, z_0)$  as  $t \rightarrow 0$  if and only
 if the matrix  $A$  is nonsingular.

### BEST BEST CITIZEN

ROSEMARY BUETOW

Rosemary Buetow, this year's girl Best Best Citizen, was the only Best Citizen of the current year who was elected as a Best Citizen in her junior year. Rosemary was Band Queen, vice-president of the Student Council, A. A. U. W. representative to Girls' State, D. A. R. Good Citizen, and was chosen as girl Best Best Citizen because she brought honor to each honor she received.
